Dear [],

Two weeks ago, the Commission sent you an email asking for your participation in an online survey about the quality of preparation you received for teaching PreK-12th grade students. The Commission believes the best way to identify strong programs and those needing improvement is by learning from people who just completed the programs. This email is a follow-up to tell you how important your participation is for ensuring that the data being collected is valid and reliable.

We ask that you set aside some time to complete the survey. Your participation is very important in developing a rich understanding of teacher preparation.

The link to your survey was included in the first email and is provided here for your convenience: <>.

If you have any questions or comments about the survey, please feel free to contact the Commission at Accreditation@ctc.ca.gov.

Thank you.
